

# ALERTNOW!

Keeping you informed is a top priority at Coventry Public Schools.

That is why we have implemented the **ALERTNOW** Notification System, which allows us to provide important information to parents via a telephone message.

**ALERTNOW** is used to notify parents of school emergencies, closings, delayed openings, and unplanned early releases. In the event of an emergency at school, parents can have peace of mind knowing that they will be informed as soon as possible by phone.

In addition, we use the system to phone parents if your child is absent from school and the nurse has not received parent notification (attendance call).

If you have any questions about **ALERTNOW**, please call your child's school office.
