<b>Program Description:</b>	The Sylvan Learning is the leading provided of supplemental education services to students of all ages and levels. Sylvan Learning has a 30 year track record of success at over 900 centers in North America. We have been providing SES services to Connecticut students for 3 years. Tutoring instruction is available in math and reading. We employ a diagnostic approach to identifying each student's needs and a systematic, motivational approach to ensuring individual student success. Each student's goals are established in partnership with parents and school officials. Regular communication is provided and available 6 days per week from our team of professional educators. Convenient and flexible scheduling of tutoring sessions is also available 6 days per week. A typical tutoring schedule is 2 days per week, 2 hours at a time.

<b>Program Description:</b>	Professional Tutors of America has been a leading provider of one to one tutoring across the US for over 25 years. Our highly qualified teachers and tutors go to the home of the student and our tutors always work on a one to one basis with the student. The parent and tutor determine the tutoring schedule and the typical schedule is 1 to 3 hours per week. Our tutors are available after school, evenings, and weekends. We serve students in all grade levels, and in all subjects. Our adaptive assessment tool identifies each student's unique needs, and our tutoring program focuses on mastering the necessary skills. For maximum results and increased student motivation and self-confidence, Professional Tutors of America is your number one provider.
