PRESS RELEASE

January 18, 2012

As a result of Storm Irene and Storm Alfred, the Coventry Board of Education adjusted the school calendar twice this school year. The final review was done on December 8, 2011. The most up-to-date calendar can be found on our website at www.coventrypublicschools.org.

To account for lost school days the following changes were made:

- February vacation was adjusted: School WILL be in session from February 21 – 24, 2012.
- The staff development days of **Friday, January 27 and Friday, March 23 are now “Special Student Half Days.”****
- Additional school days were added in June. The last day of school is now scheduled for June 20 (pending any additional days to be made up).
- Graduation for Coventry High School seniors has been moved to June 23, 2012.

**** Parents and families should note – January 27 and March 23 will run on a Special Half Day Schedule. Those days will NOT follow the normal early release times. While breakfast will be offered, lunch will not be served on these two days.**
