Good News! Capt. Nathan Hale is Having a Career Day!

On Thursday, May 1, 2008, Capt. Nathan Hale Middle School will host more than forty professionals from a variety of careers. Presenters will share their experiences including educational background, career paths, and their daily experiences with respect to their chosen line of work. Students will experience presentations from Firefighters, Dental Professionals, Engineers, Chefs, Entrepreneurs, Law Enforcement, a Golf Pro, and many others. Additionally, a Life Star helicopter with a full crew – Pilot, Respiratory Therapist, and Paramedic – will land in the back of the building at approximately 1:30 p.m., weather permitting. The crew will speak with our entire student body regarding their careers. This day will be a fantastic opportunity for all of our students to be exposed to and become better aware of possible career opportunities.
