### **Coventry Grange #75 Presents Third Graders at G. H. Robertson School with Free Dictionaries**

The Grange is proud to support the Dictionary Project through its Word for Thirds program. Through the tireless efforts of the Grange's network of more than 300,000 volunteers, America's oldest rural and agriculture organization has presented third grade students across the nation with more than 100,000 dictionaries.

"It is amazing to see that smiles on children's faces when we present them with dictionaries," Ethel Harris, Coventry Grange #75 Program Director, said. "It gives them a sense of pride when they have a dictionary to look up words on their own. It promotes learning and helps mold their self-confidence and independence."

The dictionaries were presented to G. H. Robertson 3<sup>rd</sup> Graders on March 19, 2008.
