PRESS RELEASE

February 26, 2010

Although winter days on the outside may be cold and gray, the energy and climate within Coventry Grammar School certainly hasn't been dampened!

The spirit of heartfelt giving has continued at Coventry Grammar School (CGS) throughout the month of February. The staff and students maintained the annual tradition of February Caring Days during the entire month. "Kids Caring for Kids" was the theme again this year as over 600 children's favorites such as Spaghetti-O's, macaroni and cheese, peanut butter and jelly and granola bars were collected for the local food pantry, located at the Human Services office at Coventry Town Hall.

Many thanks to the CGS community under the direction of Grade 1 para-educator, Mrs. Jennifer Ray for organizing this most generous food drive.
