Coventry High School Students Help Needy Families

Coventry High School students in Mr. Kendall's Civics class decided they wanted to do something to help needy families in Coventry over the holidays. They decided to start a collection of money they would donate to the Town of Coventry Human Services Department. When the Current Issues class and the Student Council heard of their efforts they decided to contribute as well. One hundred percent of the funds were donated to the Town of Coventry Human Services Department just in time for the holidays. The money will go to aide families in Coventry.

The breakdown of total funds donated to Coventry Human Services:

Donations by Mr. Kendall's Civics class students: \$167.26

Donations matched by Current Issues class students: \$167.26

Donations by Student Council: \$200.00

Grand total donated: \$534.52
