First of all, I'd like to thank Mary Minor for her service as Secretary of the Board of Education and for volunteering time from her busy schedule to take on this important responsibility. I will greatly miss her involvement in helping to make Coventry schools a special place for our students. We are grateful for her, and wish her and her family the very best as they move on to the next exciting chapter of their lives.

Tonight, I'm speaking on behalf Mr. Jim Houlberg to fill the vacant Board of Education seat for the remainder of the current term. Jim regrets not being able to attend tonight. He is serving our nation in the Army, and is away at training in New York at Fort Drum. I spoke with him last night, and he expects to return shortly. The RTC vetted several candidates, and determined that Jim Houlberg is the best fit for this role, and has the skills and experience necessary to represent the citizens of Coventry.

Jim has lived in Coventry for 11 years, he is married and has four children. Jim has been in the CT Army National guard for 24 years and works full time in Windsor Locks. He is very familiar with government budgeting and has a background in math and accounting. Specifically- his career expertise is in government budgeting, procurement, and accounting. He also works part-time as a Tax Accountant in his family business. As a financial advisor myself, I can attest to Jim's attention to detail, and accuracy in everything he does. Jim is committed to Coventry and loves the community. He's repeatedly expressed interest in finding a way to continue to serve the community after he retires from the National Guard in less than 2 months, and believes that he would be a positive supporting board member, and I wholeheartedly agree. Children and education are both very important to him, as well as insuring that every child receives a quality education, and that we get the most out of every dollar that we spend for their benefit. Jim served on the Town Council for a brief period between August and November last year, and learned a substantial amount about Coventry town government. He was an asset to the council. He wishes like to volunteer his time and talents to fill this important position for the remainder of this term.

Submitted Respectfully,

Matthew O'Brien Jr.
Chairman of the Coventry RTC
