

Coventry Public Schools

Subsystem/Department Goals for the 2017 - 2018 School Year

By: **William Trudelle – Physical Plant and Facilities**

1. Identify, define, and measure the critical skills and attributes that are required for success and align systems to continuously improve student performance and achievement.

- Work with the HEEC staff to complete the NAEYC reaccreditation process by ensuring all standards are met.
- Continue working with the Business Office to secure federal, state and local grants to offset facility related cost.
- Work with the Walls Committee to evaluate all code issues and create an action plan to address any issues.
- Expand the equipment inventory with the use of Preventative Maintenance to provide a more accurate assessment of District needs.
- Work with local and state agencies on the security and safety of the district.

2. Maintain and promote a positive and respectful learning community.

- Work with the PSSS Office to ensure that the Coventry Academy meets the changing needs of its students.
- Continue working with the Building Committee on energy upgrades and code issues related to the District.
- Develop and implement a maintenance program for each site to ensure all buildings support a clean safe learning environment.
- Analyze data from the SchoolDude Suite to address areas of concern, throughout the district.

3. Recruit, retain and develop high quality staff at every level.

- Continue improving staff training to meet the changing safety and green clean standards.
- Implement a new employee training program for new hires.
- Collaborate with CIRMA to provide training to staff to help reduce work related injuries.
